I think it is the most stupid thing for your Cave City branch to close. We have to go to Glasgow or Bowling Green. The small branch was having computer problems. Had to go out of our way again to main branch. Thinking seriously about changing banks for Cave City convenience.

@usbank Yes I did and I have – it appears you are downsizing your service area in Lexington, KY – less branch locations, hours inconvenient (not one branch open after 4:00 on weekday) – just spent 30 minutes waiting in a drive through at one branch.

If your plan is to reduce your footprint locally – courtesy notification to 20 year clients you would be helpful

But thank you for your prompt reply
