@AskUSBank 10330 W Silver Spring Dr, Milwaukee WI 53225

This branch isn't regularly open. I tried to call but no answer even though Google says they are open – it's not always accurate. I have a disabled mom so I'm just needing to double check for an easy trip tomorrow or all this week.

We've adjusted our operations to promote safety. While this branch is temporarily closed, you can find a list of nearby locations using the Branch Locator at <https://t.co/J0Q3HO7IE6> or on the U.S. Bank mobile app. All the best.

What's the deal with your branch lobbies in Oshkosh, WI being closed? Sometimes ATM, mobile banking, or drive through isn't an option!

**U.S. Bank Response on October 25, 2022**

We understand closing a branch disruption. We're dedicated to helping during this transition. Banking preferences & behaviors are changing, influencing how & where we operate. As a result, we're consolidating. To find a branch, please visit <https://t.co/fd5e6Bo4yx>

Just wondering why the US Bank in Waunakee Wisconsin is closed today since they are already closed on Monday for the Christmas holiday. They said that they are open until 5pm today, and open tomorrow (December 24<sup>th</sup>) until noon. Other banks are open so they can't use the excuse that it's because of the weather. So frustrating.

We take the safety of our employees and customers seriously and apologize for any inconvenience as a result of the temporary closure in your area due to today's severe weather. Many transactions can be done via our mobile app. Our bankers are also available to assist you by calling 800.USBANKS, if you have an immediate account need. We appreciate your understanding. Take care and stay safe!
